Cultivate an attitude of spontaneous giving—be aware of the needs around us and ready to respond at a moment’s notice.

## 2. Strategic Giving

There’s an important place for planned, purposeful generosity.

Isaiah 32:8 (NIV)

---

---

Strategic giving involves:

- practicing the biblical principle of tithing
- financially supporting a missionary, the poor, a ministry, or a project by giving an offering above your tithe
- giving to holiday outreaches in your community
- planning to give upon your death to your charities of choice

---

---

How can you strategically give this week, month, year, and even at the time of your death?

---

---

## 3. Sacrificial Giving

---

---

---

Go beyond our comfort zone to meet the needs of others.
